Petitioner Heath response to Granting of  
of motion Docket # 19, Dated 10-7-15 / Respondent response  
to said motion Dated 11-6-15

Petitioner Heath would like to  
have this honorable court to observe, and take notice,  
of Page 14, of Petitioners Memorandum of Law that supported  
Petition for Habeas corpus writ. Specifically where Petitioner  
is pointing out the misinterpretation done by trial Judge Butch  
concerning Point variables enhancement of sentence guidelines/  
Mandatory minimum... Trial court, Appeals court, and Supreme Court  
of Michigan all three stages of my judicial proceedings were  
given the opportunity to correct a wrong yet they failed.
